FROZEN ADVANTAGES

INGREDIENTS FROZEN AT THE PEAK OF FRESHNESS

With ingredients frozen at the peak of freshness, frozen soups also deliver significant quality benefits over both scratch-prepared and refrigerated soups:

- Locked-in fresh ingredient flavor, texture, and nutrition
- Consistency from batch to batch

TOP PERFORMER BACK OF HOUSE

Prepared soups deliver a variety of operational and financial benefits over scratch-prepared soups:

- Time and labor savings. No skilled labor required
- Reduced waste. No fresh ingredient spoilage
- No costly fresh ingredient handling surcharges
- Consistent pricing
