

*Full of Taste & Gluten-Free!*

Dear Store Manager or Buyer,

I have been a loyal shopper at your store and I appreciate the value and selection of the products that you have available. I would like you to consider carrying a line of gluten-free pasta called BiAglut. BiAglut products are made in Italy, imported for your convenience and available through select distributors.

As a trusted brand from Italy with over 45 years of gluten-free experience you can expect that these products have superior taste and nutritional quality on par with the best Italian cuisine. Your customers will also agree that BiAglut gluten-free pasta provides the flavor, look, and texture most similar to that of traditional gluten-based pasta.

BiAglut now offers a wide variety of pasta from long pasta like Spaghetti to short pasta like Penne, egg pasta like Lasagne and soup pasta like Stelline. In addition, BiAglut also offers Grissini (Breadsticks) and Crackers that pair wonderfully with all of their pasta varieties.

BiAglut gluten-free products would appeal to many of your customers who are dealing with celiac disease, gluten intolerance, gluten sensitivity, wheat allergies and anyone who is following a gluten-free diet. To request samples and distributor information, please email BiAglut at [info@biaglutUSA.com](mailto:info@biaglutUSA.com) or visit their website at [www.biaglutUSA.com](http://www.biaglutUSA.com).

Thank you for your time and consideration!
